foreword

This is the record of the school year of 1958-1959, a year which represents an important milestone in Odebolt's educational program. We, the Senior class of 1959, consider ourselves most fortunate to have had the privilege of using the new facilities provided by the extensive building program of the last few years. Whatever else we may become, we can always boast that we were the "first class to be graduated from the new building." We appreciate that honor and are grateful to the community which has been farseeing enough to build for the years ahead.

senior skip day in chicago

The trip started at about 8:00 o'clock Monday night, May 18, 1959. At that time we all piled merrily into the buses and swung our coats, spare shoes, and other various paraphernalia into the overhead racks.

We were finally off (I know, "we always were." Hah!) The first fifteen minutes or so of our trip was spent in the usual curious fashion. We flipped reading light switches, tried the windows and shades, and racked our neighbors behind with low-flying seats.

After these things were done, we settled down for a peaceful night of sleeping. Or so we thought. On our bus the loud one was M. M., while on bus number two C. S. was "the fly in the ointment." Due to their constant "happily received" (growl!) interruptions, the beauty rest we accomplished was negligible.

The next item of the agenda on the trip was the "midnight" snack eaten by the Seniors who had foresight enough to bring along some delectable goodies. As you might expect the "midnight" snack was consumed at 9:30.

Sometime during the night, it's hard to remember exactly, the radio campaign began. Yep, you're right. Dear old M. M. was at the back of it. M. M. decided that in order to make her trip more enjoyable, she needed the loan of my portable transistor radio. I had carefully stashed my radio in my suitcase, after I found that it had to be propped up in midtor and pointed and repointed a hundred times to get good reception. Well, that it had to be propped up in midair and pointed and quite sleepy, I gave a polite but firm, "No!"

After saying "No!" for the twentieth time, I devised a sneaky trick. I called M. M.'s attention to the fact that Dorothy had a much better, bigger more beautiful portable. "Besides," I said, "she's no stingy like I am." (Heh! Heh! Heh!)

I really settled that situation. (Hah!) So all the rest of the night we had to listen to, "Do-r-othy, I'll give you a 'blob' for the loan of your radio." and the answer of "No-o-o!" from generous Dorothy.

We arrived in Chicago. That is, after a refreshing ride on the freeway. As one of our members remarked, "I wonder why they call it a **free**way? They charge thirty cents every two miles." (It was pretty corney at 5:30 in the morning, too.)

It was 5:30 by many of the unchanged watches but 6:30 by Chicago's daylight savings time. They may change the clocks but they can't change us. 5:30 is 5:30. (Yawn!)

After paying a king's ransom for a bird's-size breakfast, we took off for the Museum of Science and Industry. When said took off, I meant it. For we had switched to a pair of city drivers. The crazy fools shot around corners with only inches to spare, and dragged up Lakeshore Drive. (Gad! What a blast!)

We arrived at the museum at 8:30 flat, ready to take in many sights. The only trouble was it didn't open till 9:30. The waiting time was well spent, however. Everyone paged through telephone directories looking up long lost relatives. Most of them stayed lost, I'm afraid.

The museum was well worth the wait. We saw a captured German submarine, an actual coal mine under the building, and various other very, very interesting displays. To get into some of the exhibits the usual fee is thirty-five cents, but after Mr. Ferguson signed a paper we got in for a dime. I guess he has an honest face.

This building consumed our morning. There was a cafeteria in the building so we decided to eat lunch before moving on.

Our next stop was about 1:00, when we visited the Planetarium. After chipping a quarter to get in, we found out the big show wasn't until 3:00. There were mumblings about being gypped, but you can't really say that. They had some lovely pictures of stars and stuff.

Upon arriving at the door of the Aquarium we were stopped by a greasy old guy who offered us a special rate on a half hour boat ride. Since we were unable to get a night boat, we accepted gladly.

Out on choppy Lake Michigan, we got a lovely view of Chicago's skyline. I had a wonderful time considering I couldn't hear a word the boat captain said and getting slightly moist from the boat's backwash.

On arriving back some of the Seniors (with fishy ideas) went into the Aquarium. (pun). The rest of us rested on the shoreline and drank cokes.

After a little rest we went to the Museum of Natural History. It was quite interesting with stuffed animals, biological specimens, and statues. Everything went fine except that we lost Gerrit inside. He was quite safe, however; there were plenty of "mummies" in the Egyptian exhibit to take care of him. (That's **supposed** to be a joke.)

From there we went to Lincoln Park Zoo. Everything ran true to form—most of the animals were locked in "beddy-bye" for the night.

After that we just toured town in our "real cool" air-conditioned buses. We saw skid row, Chinatown, and Madison Avenue and Maxwell Street.

We were going to eat supper at a real Chinese restaurant, but after seeing the prices, we decided that Joe's Beanery had better food.

At 7:00 we were set free to eat where we wanted and to shop until 8:45. After eating, though, we found we had only about fifteen minutes or so to shop. Our shopping was then limited to a quick tour of the Greyhound Post Houses.

At 9:00 we were off for home, after hearing the usual comments concerning our meals, raw steaks for well-done ones, etc.

Going out of the city, we went through skid row to see the difference night made. It was too early to see many drunks. But, we almost got bricks thrown through our bus windows due to the jeering of some of the kids toward the drunks.

We made it safely out of the city. (Phew!) The conversation on the way home was limited to "z-z-z-z-" "snort!"'s, and "Gimmie my half of the blanket!

At Cedar Rapids we stopped to change to our original drivers. (We had had three pairs). We arrived an hour early and had to wait outside for forty-five minutes for the drivers to be aroused from their slumber.

A few of the more adventuresome Seniors hiked a couple blocks and returned with ice cold liquid refreshments in hand—much to the envious stares of other thirsty onlookers.

Around 6:30 a.m. we arrived back in dear old Odebolt. We gathered up our many prized souvenirs and luggage and dragged off wearily toward home and a soft, fluffy bed.

SYNOPSIS

"Paint the Town Pink" is an amusing comedy in three acts portraying the hilarious events that take place in Mansfield High School when the Seniors become teachers-for-a-day and the faculty members become the students.. As Rem Tyler, principal-for-the-day, and Christy Smith, his secretary-for-the-day, try to extricate themselves and the school from the simple mistakes they have made, they unwittingly tangle themselves deeper and deeper into the seemingly hopeless situation. The school lunch tables and chairs are mistakenly carted away just before dinner time, two mice from the biology lab are accidently set free, the stadium benches are demolished by a bulldozer, and the school conference room is painted a brilliant, shocking pink before Turnabout Day is over. But Mrs. Lawton, a crochety School Board member, who has succeeded in making the day most miserable for all the students involved, is finally influenced into believing that the events of the day aren't so bad as they appeared earlier, and the day ends happily for all.

one-act plays

THREE CASTS

Three one-act plays were given before an audience on Wednesday evening, January 28, to determine by audience vote, which play should go on to contest. "High Window," by Verne Powers, the winning play, had the following cast:

Shirley Buehler ---------- Emily Winthrop, an old lady in a wheelchair
Tom Morkin ---------- Stephen Crain, her friend and legal advisor
Sally Swanson ---------- Judith Ware, Emily's secretary and nurse
Norman Bergman ---------- Walter Hodge, Emily's meek, myopic nephew
Patty Sonichsen ---------- Linda Norton, a curious newspaper reporter
Director ---------- Marvin Miner
Assistant Director (Student) ---------- Janice Salmonson

It's over a year since wealthy Warren Winthrop fell from a window high up in the old family mansion. There is still a mystery as to the cause of Winthrop's death. Young Walter Hodge, carefree and independent only a year ago, is now merely a pale and timid shell of his former self. His Aunt Emily taunts him cruelly about his "weakness" and some awful secret they seem to share. Judith Ware seems to be under Emily's domination, too. In some terribly fascinating way, the window overlooking the street below, and the window of which Walter is so terrified, is the center of the enigma.

Emily, through her lawyer, Judge Craig, is trying to get her nephew, Walter, committed to an institution for the mentally ill. She is irked at the delay; and is even more upset that she hasn't been able to collect the insurance money left by her late husband, Warren Winthrop.

Then Linda Norton, a clever, young, newspaper woman, pays a visit. Linda, taking an interest in Walter, asks questions. With the help of Walter and Judith, she dramatically frees Walter from his mental torment and solves the mystery of the high window.

The Junior Class presented "It Walks at Midnight," by James Reach, on Saturday and Monday evenings, December 6 and 8. The three-act play was a comedy-mystery.

Andy and Sharon Fuller arrived at "Deep Shadows," a country mansion loaned to them by Andy's aunt, to spend their honeymoon, only to find that it had been rented by the local real esate agent to Elinor Martindale, a most ungracious hostess. During the night they met some unusual characters: Jocko, the ape-boy; the slightly dottie Paulina, who played many parts; Lucius Lovelace, a tramp who spouted Shakespeare; and Betty, the mystery girl. Miss Martindale insisted that Betty was her niece, a mental case under her care, but Andy and Sharon weren't convinced. Was it possible she was really the missing heiress to one of the country's great fortunes?

After many adventures, including the ghost who walked at midnight, Rita getting her neck broken, a deceiving policeman, and some judo, and when everyone thought all was lost, Jocko and Mrs. Wiggins saved the day.

HOMECOMING

Homecoming—1958 was held October 17. The marching band led off the evening's festivities by playing, "To the Color" and "The Star Spangled Banner" during the raising of the flag. They formed an M for Manilla and played their school song. They formed a K and Q for king and queen and played "Might and Majesty" as the royel party entered the field and ascended the platform. A sealed envelope containing the names of the popular young couple was opened in the broadcasting booth and announced over the loudspeaker. Supt. Ogden took the crowns from the satin pillows carried by the kindergarten attendants and placed them on the heads of Queen Lynette Lamons and King Bill Stock.

The attendants to the royal pair were Nancy Currie, Arlene Howard, Donna Stiles, Margaret Johnson, Duane Buehler, Bob Rex, Ron Webber, and Dennis Thevenot. Kindergarten attendants, children of Alumni members, were Marcy Scott and Michael Einspahr.

During half-time ceremonies, the band presented a show entitled "Heart of the West." The Trojan mascot, played by Stanley Dublinski, made his first appearance.

The hard-fought football game ended in crushing defeat to the Trojans. An alumni-sponsored dance was held in the gymnasium after the game, with the grand march being led by the royal couple and their attendants.

THE GRAND MARCH

student council

The Student Council, consisting of thirteen members, met with Mr. Ferguson frequently throughout the year to discuss suggestions submitted by the student body, and plan all-school activities. Although the Council is only in its second year, and still in the experimental stages, it did sponsor a variety of things during the school year, such as, bi-monthly locker check, general planning for Homecoming activities, suggestion box in study hall, Christmas treats for Student Body, and Variety Show.

football

The Odebolt-Arthur Community School opened practice on August 24, 1958, with a small turnout of players. Eighteen boys reported. As the season progressed, more boys reported and at the end of the season there were 30 boys on the roster. Of this number 7 were seniors and 4 were juniors. The Odebolt line averaged 160 lbs., and the backs averaged 158 lbs.

Odebolt-Arthur 12 **Wall Lake 6**

The Trojans opened in fine style and gave the local school an opening victory against Wall Lake. The boys got both their touchdowns in the first half and held on in the last half to emerge the victor. Good sportsmanship and fine spirit was shown by the local boys and though many were young they did a good job. Bill Stock, Ron Webber, Duane Buehler, and Richard Lange were standouts for Odebolt.

Odebolt-Arthur 7 **Kingsley 36**

September 19 and Odebolt-Arthur played host to Kingsley. Kingsley left no doubt in the minds of the fans who was in control and went ahead early. Pfaffle, Page, and Hager were too much for the locals. Stock, D. Buehler, and Ron Webber did a good job for Odebolt. Richard Lange was injured on the first play of the game and lost for the season.

Odebolt-Arthur 19 **Moville 33**

Moville brought a strong ball club to Odebolt and with hard runners and good line blocking overcame a strong last half bid by the Odebolt team. Kenny Schramm was switched from tackle to fullback for this game and gave the local team new life. They played with a spirit and desire not seen previously this year. Wieborg, and D. Buehler and Stock looked good for Odebolt.

Odebolt-Arthur 14 **Correctionville 14**

October 3 and the first game away from home in the 1958 season. The boys took the long ride to Correctionville where they met a team they should probably have beaten. Odebolt scored first when Ken Schramm punched over in the first quarter. On the play he was hit and injured his hip. He was forced out of action for the next two games. David Pair was injured in the third quarter and was unable to play the remainder of the game. The fourth quarter Correctionville went ahead 14 to 7. Odebolt received the kickoff and promptly marched 60 yards to score. Dresselhuis, Stock, and R. Buehler were outstanding.

Odebolt-Arthur 0 **Onawa 46**

The Trojans journeyed to Onawa the 10th of October to take the soundest beating of the season. The locals were shut-out for the first time this season. Two early fumbles took the life out of the Trojans and they didn't come back. Stock, Ron Lange, and Steve Cranston did a good job for the Trojans.

Odebolt-Arthur 0 **Manilla 44**

Odebolt-Arthur meets one of the best teams on its schedule. Manilla, with an array of good backers and fine runners whipped Odebolt to the tune of 44 to 0. Odebolt for the second straight Friday suffered a shutout. This was a heartbreaking homecoming for the Trojans but it was lost to a sound team. Bill Stock was elected the Homecoming King. Dennis Thevenot and Kenny Weifenbach stool out in this game.

Odebolt-Arthur 21 **Marcus 20**

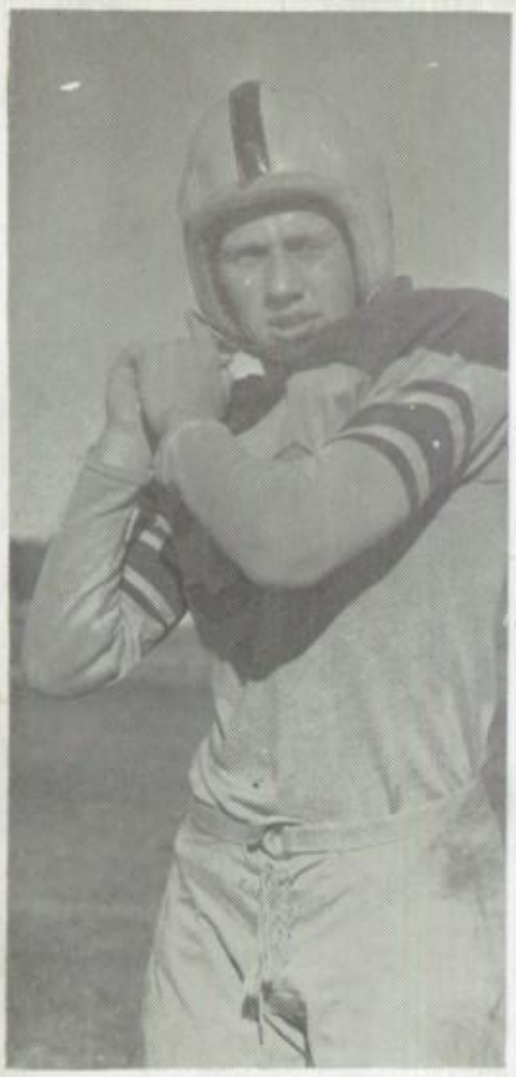
Friday, October 24, 1958 the Odebolt-Arthur Trojans really buckled down to put out, to defeat a stubborn Marcus ball club. The score was 21 to 20. The final score came on a fake punt and pass to Bill Stock from Roger Thayer and covered 68 yards. Cranston, Schramm, and Webber looked good for Odebolt.

Odebolt-Arthur 13 **Ida Grove 54**

Ida Grove, another tough football team, thoroughly trounced the locals in the last home ball game of the 1958 season. The Trojans hustled but could not compete with this strong neighbor. Ida Grove had been ranked among the top ten in the Class II division in the state. Thevenot and freshman Bob Prichard looked good for the Trojans.

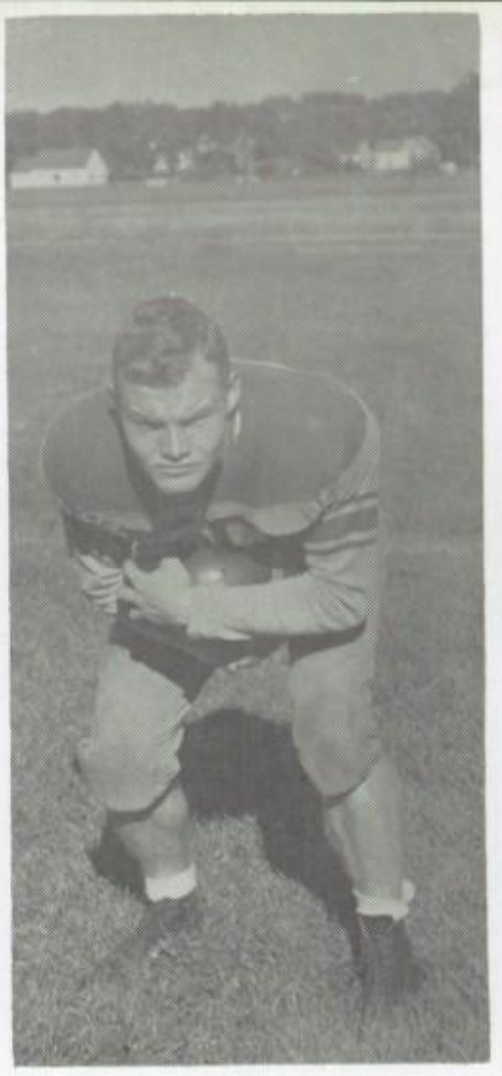
Odebolt-Arthur 7 **Holstein 46**

The last game of this long season and Odebolt-Arthur played the powerful Holstein football machine. Odebolt fought gamely but was no match for the winner of the Maple Valley Conference. Stock, Webber, and Ken Schramm were standouts for Odebolt.



***JIM WIEBORG**
Junior, Guard, 145 lbs.

***KENNETH WEIFENBACH**
Junior, Guard, 150 lbs.



***DENNIS THEVENOT**
Senior, Fullback, 160 lbs.

***GERRIT DRESSELHUIS**
Sr, Halfback, 165 lbs.

In the summary of the 1958 football season it is safe to say the boys put forth all they had. Odebolt played with 11 juniors and seniors, some injured for several games. With 19 of the present squad back plus whatever new boys report next year, Odebolt-Arthur faces a bright prospect in football. This season has left much to be desired in good football, but certainly we shouldn't be ashamed of the record. When a team plays such teams as Kingsley, Holstein, Ida Grove, Moville, Onawa and Manilla, then surely the competition is the best. In 1959 Odebolt-Arthur will have 10 lettermen back and there should be a better season in the making.

girls' basketball

The Trojanettes had a mediocre season, winning 10 and losing 9. With a majority of sophomores and juniors on the squad prospects are very bright for the future. The only senior on the squad was Margaret Johnson. She was an outstanding guard on the Trojanettes tough defensive court.

Returning to the back court next season will be letter winners Sharon Olberding, Sandra Kessler, JaNell Iversen, and Lois Thies. Diane Buehler, a freshman, is also a very bright prospect.

Returning in the front court will be five girls who saw considerable action this past season. With the experience they received a bright future on the forward end is expected. Sandra Neville, Joan Frey, Karen Johnson, Diane Lundblad and Judy Sonksen are the returning letter winners.

The Trojanette offense scored 971 points in nineteen games for a 45.3 point per game average.

On defense the Trojanette opponents could manage only 828 points for a 43.5 point per game average. This is the best defensive average any team has had for a number of years.

Highlights of the past season were two-fold. The first was winning the consolation trophy in the county tournament. The second, and probably the best highlight, was the loss to Ida Grove in the Sectional Tournament. Ida Grove, averaging over 70 points per game on offense, ran into a major surprise when they met a tough, aggressive Trojanette defense. The Ida Grove front court had to work in order to score 47 points. Thirty of these points were scored in the first half. The Trojanette defense held Ida Grove's high scorer, who was averaging over 40 points per game, to three field goals and six free throws.

The season's high scorer for the Trojanettes was junior, Sandra Neville, with 418 points for a 24.5 point per game average. Sandra had to miss two games because of illness.

With the experience in the back court the Trojanettes should improve upon this considerably next season.

The Trojans won 10 out of 21 ball games this season. A few of the games were very close and were lost in the last couple of minutes. They finished fourth in the county tournament, and were beaten out in the first round of the Sectional Tournament by Lake City.

The freshmen and sophomores played some good ball games under Coach Kerns. In the future, these young players will be valuable assets to the team.

STATE CHAMPIONS

Odebolt's first state champs. These fellows won the Class A State Mile Teams Race at Iowa City.

They missed a state championship in the Class A Cross-Country run at Ames by less than two inches. Dennis Wagner substituted for Bob Rex, who had a pulled muscle. The members of the squad left to right: Dennis Anderson, John Bauer, Bob Miller, Bob Rex and Coach Bob Buum.

TRACK SEASON 1958-1959

The first state championship Odebolt has ever had was produced by the fall track squad. Bob Rex, Bob Miller, John Bauer and Dennis Anderson won the State Class A Mile Team Race at Iowa City for the state championship.

The Trojans missed another state championship in the Class A Cross-Country run at Ames, by less than two inches. Running on the team was Bob Miller, John Bauer, Dennis Anderson and Dennis Wagner. From this group of boys there are three seniors, Bob Rex, Bob Miller and John Bauer; one sophomore, Dennis Wagner; one freshman, Dennis Anderson.

This spring 38 candidates reported for track. There were six seniors, eight juniors, twelve sophomores, and twelve freshmen.

The freshmen and sophomores showed great promise of putting Odebolt in front for the next two or three years. Outstanding performers are Dennis Anderson and Dennis Wagner in the mile run, Ken Schramm in the shot put and discus; Roger Carlberg in the high jump; David Pair in the hurdles and broad jump; Kent Ogden and Steve Cranston in the broad jump; Roger Peters, Jim Miller and Lloyd Schramm in the 440 yard dash; Chuck Williams and John Ohden in the sprints.

The juniors and seniors did not run up to expectations although there were some outstanding performances. Bob Rex placed fourth in the 880 yard run at the state indoor and fifth at the state outdoor meet. Bob broke the school record for the 880 yard run with a time of 2:05.9. Don Hoefling placed fourth in the high hurdles and sixth in the low hurdles at the state indoor. He also ran the low hurdles in 21.3 which is one-tenth of a second shy of the school record. Ken Schramm broke the school shot put record with a throw of 43' 10½".

With a majority of underclassmen on the squad the Trojans had a pretty successful season. They placed second in the Maple Valley Conference meet and scored fairly well in all the meets in which they competed. In the first track meet ever held on Odebolt's new track the Trojans won a five team meet. Odebolt won with 115 points; Early 61½; Lake View 51½; Wall Lake 50½; Ida Grove 29.

The freshmen and sophomores defeated Carroll Kuemper at Carroll 78 to 60 but were defeated at home by 65½ to 56½.

Many records should be established and many outstanding performances recorded in the seasons to come.

thank you

The Trojan staff wishes to thank all those who sent in current addresses of themselves and their relatives and friends, for that cooperation has made it possible for the staff to publish this list. Those in charge of the alumni section realize that it is not complete, and in many cases old, incorrect addresses may be given. They did their best to bring the list up to date, and appeal to you once more to send in corrections if you find a mistake in the record kept by the school.

acknowledgment

The 1959 TROJAN staff is indebted to many people for their help in producing this yearbook. First, Miss Bruce, our yearbook advisor, got things under way with her capable guidance. Early in the year, Mr. Buntrock took the many pictures necessary to make up a well-illustrated book, and then the staff was ready to go into action. The layout people, the boys in charge of advertising, and the photography editors had plenty of work to do and plenty of material to work with. The class artist, Mavis Meltesen, developed and executed the drawings for the division pages. The business managers and the carnival committee were responsible for the financial end of the enterprise, and their efforts have been crowned with success. The typists had, in addition to the usual work of preparing copy for the printer, the extra job of typing the Alumni list this year. In that connection, may we say that we are deeply grateful to the many alumni and others in the community who helped in correcting the class lists and making them complete.

We appreciate the help of the faculty and their forbearance with class interruptions for picture taking and so on.

When we had finished preparing the copy for this ambitious project, it was turned over to the Odebolt Chronicle for its usual fine job of composition and printing. It was their job to turn our rough copy into the book we wished it to be.

A most sincere "thank you" to everyone who has helped us in the preparation of our book.

Lynette Lamons, Editor-in-chief
